

LEARNING FORWARD KANSAS

STAFF DEVELOPER OF THE YEAR AWARD

Deadline for submission for award: January 15

Learning Forward Kansas wants to recognize the Staff Developer (one per district) who has had the most direct impact in your district during the past school year.

Districts are encouraged to complete the nomination form for the individual (either an internal or external source) who has had the most impact on improving student performance through staff development (professional learning). Everyone can be a staff developer!

Each individual nominated will receive the following:

- Recognition at the Learning Forward Kansas Leadership Conference
- A complimentary one-year membership in Learning Forward Kansas
- A certificate of recognition
